The unique San Diego Next Step™ STA-TITE® toilet seat accommodates both adult and child users equally, making it the perfect seat for your family bathroom. The built-in potty seat secures magnetically into the cover when not in use to reduce clutter. With Next Step™, toddlers can use the seat with confidence, knowing it is sized to hold them, is securely attached to the toilet, and will not shift underneath them. Then, the child seat removes when no longer needed and for easy cleaning. Finally, this seat features STA-TITE®: the patented fixing system that is easy to install and always stays tight.
